EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bruce Adams on 27 January 2010.

The application has been amended as follows:

In claim 5, lines 14-16, delete from "each" on line 14 through "base," on line 16.

In claim 5, line 16, delete both instances of the phrase "branch of the".

In claim 5, line 17, delete "ports being" and substitute therefor --port are--.

In claim 5, line 17, before "outside", replace "the" with --an--.

In claim 5, line 18, before "side surface", delete "the" and substitute therefor --a--.

In claim 5, lines 18-19, delete "the other branch of the" and substitute therefor --another--.

In claim 5, line 19, delete "the other branch of the" and substitute therefor --another--.

In claim 5, line 20, replace "being" with --are--.

In claim 5, line 20, before "outside", replace "the" with --an--.

In claim 5, line 21, before "bottom", replace "the" with --a--.

In claim 15, lines 15-17, delete from "each" on line 14 through "base," on line 16.

In claim 15, line 17, delete both instances of the phrase "branch of the".

In claim 15, line 18, delete "ports being" and substitute therefor --port are--.

In claim 15, line 18, before "outside", replace "the" with --an--.

In claim 15, line 19, before "side surface", delete "the" and substitute therefor --a--
--.

In claim 15, lines 19-20, delete "the other branch of the" and substitute therefor --
another--.

In claim 15, line 20, delete "the other branch of the" and substitute therefor --
another--.

In claim 15, line 21, replace "being" with --are--.

In claim 15, line 21, before "outside", replace "the" with --an--.

In claim 15, line 22, before "bottom", replace "the" with --a--.

2. The following is an examiner's statement of reasons for allowance: the present amendment clarifies the nature of the water ports of claims 5 and 15, eliminating an implication of a plurality of ports which are each branched, and also clarifies the antecedent basis of several limitations ("an outside," "a side surface," and "a bottom surface"). As noted in the previous office action, the prior art does not teach the limitation of the water ports being communicated with the exterior specifically at the side and bottom surfaces of the base, especially in combination with the remaining limitations of those claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Philip Stimpert whose telephone number is (571)270-1890. The examiner can normally be reached on Mon-Fri 7:30AM-4:00PM, EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Devon Kramer can be reached on (571) 272-7118. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
